**Notes:**

*This laboratory was not involved with, consulted, or requested to undertake sampling of the test specimens provided, and testing of those test specimens has been conducted on the samples as they were received (or pre-treated as noted in the laboratory Test Report for those test specimens).*

*Accordingly, no responsibility is taken by this laboratory or its agent for the integrity, authenticity, appropriateness, or representativeness, of any of the test specimens provided and this fact must be taken into account when reviewing, comparing or checking the test results published in the corresponding Test Report provided.*

*The results of analysis are expressed on the sample as received unless otherwise specified or requested by the client. Unless otherwise notified, all samples will be disposed of in three months from reporting date.*

Yours faithfully,

**SHARP AND HOWELLS PTY. LTD.**
